

COOKBOOK & RECIPE DECLUTTER CHECKLIST

- Take all of your cookbooks and loose recipes and lay them out on your kitchen counter.*
- Go through and get rid of any papers or books you don't want to keep.*
- Choose a place to store all of your recipes and cookbooks that is easily accessible but that also doesn't cause a lot of visual clutter.*
- If you want to keep the paper recipes, choose some type of organized filing systems such as an accordion folder or a three-ring binder.*
- If you choose an electronic method, get rid of the paper copies after you create an electronic copy.*
