

# FORMAL LIVING ROOM DECLUTTER CHECKLIST

- ☐ Remove anything that doesn't belong in this room and put it where it belongs.
- ☐ Wipe or dust all of the surfaces.
- ☐ Vacuum and/or sweep the floors.
- ☐ Is anything “undone” in this space? Are there pictures waiting to be hung? Curtains to be changed? Now is the time!
- ☐ Create zones to keep things organized. TV-watching, a reading corner and a kid-friendly area will bring peace to this space.
- ☐ Keep your formal living room guest-ready by taking a day each week to do a quick run through-remove unnecessary items, wipe surfaces, and sweep and/or vacuum the floors.
